and nurses involved in the care of cancer patients.

Thursday
November 18, 2010

'The Great American Smokeout'
8:00 am to 3:30 pm
Chestnut Conference Center at
Baystate Medical Center

baystatehealth.com/learn

Why Attend:

By participating in this program, you should be able to describe:

- the changes and reasons for change in Lung Cancer staging in relation to the 2010 revision.
- how the new staging system has affected recommended therapy.
- the clinical approach to lung cancer staging.
- Stereotactic Body Radiotherapy.
- the use of targeted chemotherapy regimens based on molecular studies.
- the value of a multidisciplinary conference in evaluation of patients with complex lung cancer presentations.
