

ADVANCED TRAUMA LIFE SUPPORT
Baystate Health Chestnut Conference Center

October 29 & 30, 2009

April 15 & 16, 2010

October 28 & 29, 2010

This two-day course is designed to provide physicians with a minimum standard of care for the trauma victim. The ATLS course emphasizes the first hour of initial assessment and primary management of the trauma patient starting at the time of injury and continuing through initial assessment, lifesaving, intervention, re-evaluation, stabilization and transfer. THIS COURSE IS FOR PHYSICIANS ONLY.
