

BAYSTATE REHABILITATION CARE

Adult Services

Baystate Rehabilitation Care provides a full range of rehabilitation services to help patients regain function and achieve recovery. Physical, occupational and speech therapists work with referring physicians to provide individualized care. We also provide Audiology Services at our Springfield location.

Our diverse outpatient services provide the most advanced and appropriate treatment methods, tailored to the individual. We have an accomplished team of professionals located conveniently throughout Western Massachusetts with accessible clinic hours 7 a.m. to 7 p.m., Monday-Thursday; 7 a.m. to 5 p.m., Friday.

*We have four locations to serve you.
For initial appointments, please call the office most convenient to you.*
