New Medical Store Opening in Ware

Baystate Home Infusion & Respiratory Services is pleased to announce the opening of their newest retail medical equipment & supply store at Baystate Mary Lane Hospital.

Scheduled to open January 26, 2011, the retail store will augment home services already being provided by BHI&RS in the Ware vicinity by offering a wide variety of home medical equipment and supplies. Equipment and supplies will include ambulatory products such as canes, crutches, walkers, rollators, wheelchairs, lightweight transport chairs, seat and back cushions, hospital beds and accessories, bath safety products and much more! All products come at competitive prices and direct billing to insurance when applicable. Bariatric models available for most products. Home health items and professional medical products also available.
