

Baystate Home Infusion & Respiratory Current Pediatric Formulary

UPDATED 6-30-2010

COLOR KEY

New Product/Flavor

No Longer Stocked (Can Still Be Ordered If No Substitute Available)

Discontinued/Removed from Formulary

Name Change

Not Stocked ***SPECIAL ORDER***

Special Type (A) Orange = Amino Acid Based Formula

Special Type (M) Red = Metabolic Formula

Changes this Update

6-28-10...Neocate 1+ is being discontinued from Nutricia. We have some left, but unsure as to how long their supply is going to be available. Portagen is no longer stocked but can still be ordered if no substitute. Also Enfamil Lacto Free Lipil was discontinued sometime ago, sorry for the delay in removing.

6-30-10...Abbott has adjusted the names of two of their powder formula's #1 Similac Isomil Advance is now Similac Sensitive Isomil Soy (Product number has NOT changed) and #2 Similac Sensitive is now Similac Sensitive Earlyshield (Product Number has NOT changed)
